All covered amounts will vary depending on Medicare benefits for any particular year. Amounts listed on this summary are for Year 2016 benefits. Amounts may change for the Year 2017.

This summary is intended only to show highlights of benefits and should not be relied upon to fully determine health care expenses. Once you are enrolled in the plan, you will receive a Welcome Kit which will include a Certificate and Schedule of Benefits. These documents will provide you with a listing of services, limitations, exclusions, and a description of the terms, conditions of coverage and any state mandated benefits. If this description conflicts in any way with the policy issued to the enrolling group, the policy prevails.

If you would like to receive the Certificate and Schedule of Benefits before you enroll in the plan, please call Customer Service at the number located on the back of this booklet. A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.
