Stipulations

This is a Preliminary quote effective 01/01/2021 - 12/31/2021. The situs state is Oklahoma. To ensure proper claim adjudication effective 01/01/2021, it is imperative that we have final 01/01/2021 plan design decisions from employers as soon as possible. Final decisions received after 10/1/2020 could be problematic in terms of claim adjudication on 01/01/2021. This quote assumes that the employer pays 100% of the premium. If members who have previously opted out are to be allowed back into the plan, then this fact must be disclosed at the time of quote. If the enrollment were to change by more than +/- 10% from current enrollment, we reserve the right to adjust the rates. United reserves the right to modify its 2021 rates in the event of changes to existing laws, regulations, or any new legislation, assessments, taxes, and/or marketplace changes to the Medicare program that will have an impact to the program costs or revenue, including but not limited to: (i) changes in the methodology used to calculate CMS payments including any changes due to EGWP bid waiver; (ii) any plan design changes required by the applicable regulatory authority (i.e. mandated benefits); (iii) any Force Majeure event, including but not limited to national pandemic, act of God, acts of terrorism, or anything beyond United's reasonable control; or (iv) as otherwise permitted in our contract. Quote assumes \$0.00 PMPM commission level. 13 Pre-65 Medicare eligible retirees are included.
