**Stipulations**

This is a Preliminary quote effective 01/01/2021 - 12/31/2021. The situs state is Oklahoma. While we make every effort to honor the rates quoted (notwithstanding the other quote stipulations below), we reserve the right to change these preliminary rates and/or the plan designs quoted based on the final call letter from CMS and the actual National average Part D bid for 2021. To ensure proper claim adjudication effective 01/01/2021, it is imperative that we have final 01/01/2021 plan design decisions from employers as soon as possible. Final decisions received after 11/1/2020 could be problematic in terms of claim adjudication on 01/01/2021. This quote assumes that the employer pays 100% of the premium. If members who have previously opted out are to be allowed back into the plan, then this fact must be disclosed at the time of quote. If the enrollment were to change by more than +/- 10% from current enrollment, we reserve the right to adjust the rates. Please note the following with regard to the drug coverage on these PDP products: (i) We reserve the right to change our Part D formulary for calendar year 2021. We also reserve the right to change our pharmacy benefit manager and/or our pharmacy network for calendar year 2021. (ii) There is a specific, Part D drug formulary that applies to all of our PDP plan offerings. (iii) All Part D prescription drug coverage is considered to be creditable, therefore Creditable Coverage Notices are not required. United reserves the right to modify its 2021 rates in the event of changes to existing laws, regulations, or any new legislation, assessments, taxes, and/or marketplace changes to the Part D programs that will have an impact to the program costs or revenue, including but not limited to: (i) the proposed changes to the Part D program (e.g. point-of-sale rebates); (ii) changes in the methodology used to calculate CMS payments including any changes due to EGWP bid waiver; (iii) any plan design changes required by the applicable regulatory authority (i.e. mandated benefits); (iv) any Force Majeure event, including but not limited to national pandemic, act of God, acts of terrorism, or anything beyond United's reasonable control; or (v) as otherwise permitted in our contract. Quote assumes \$0.00 PMPM commission level. 12 Pre-65 Medicare eligible retirees are included.
