

To the Member Institutions  
Oklahoma Higher Education Employee Interlocal Group  
Oklahoma City, Oklahoma

We have audited the financial statements of Oklahoma Higher Education Employee Interlocal Group (OKHEEI) as of and for the year ended December 31, 2020 and have issued our report thereon dated June 23, 2023. Professional standards require that we advise you of the following matters relating to our audit.

#### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated May 23, 2023, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Oklahoma Higher Education Employee Interlocal Group solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

#### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm and our network firms have complied with all relevant ethical requirements regarding independence.

### **Significant Accounting Policies**

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Oklahoma Higher Education Employee Interlocal Group is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2020. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements calculation is the estimated claims incurred but not reported.

Management's estimates of the useful lives are based on management expectations. We evaluated the key factors and assumptions used to develop the depreciation expense and determined that it is reasonable in relation to the basic financial statements taken as a whole.

### *Financial Statement Disclosures*

The disclosures in the financial statements are neutral, consistent and clear. Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Oklahoma Higher Education Employee Interlocal Group's financial statements relate to related party disclosure.

### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures and the financial statements as a whole. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Oklahoma Higher Education Employee Interlocal Group's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management, which were agreed to in letter dated June 23, 2023.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings or Issues**

In the normal course of our professional association with Oklahoma Higher Education Employee Interlocal Group, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Oklahoma Higher Education Employee Interlocal Group's auditors.

This report is intended solely for the information and use of the Member Institutions and management of Oklahoma Higher Education Employee Interlocal Group and is not intended to be and should not be used by anyone other than these specified parties.
